

ELECTRICAL SERVICES

Crawford Company and Art-O-Lite stand by our reputation and the professional work of our electricians. Our team offers professional services, backed by years in the field and rigorous education. We aim to serve our customers with the best electrical services around. We take pride in the services we offer!

SKILLED & KNOWLEDGEABLE

All of our electricians have had five years of classroom and on the job training as an apprentice. You can trust the work of our experienced staff, many of them with a combined experience of 20 years in the field and continued education. Our staff strictly adheres to The National Electrical Code. You can rest assured that they are well versed in all safety protocol for electrical work.
