Repair, Replacement, Remodel

Complete Plumbing Solutions

Crawford Company was founded 60 years ago specifically to serve the Quad City area. In the years since, we've not only achieved a high degree of technical knowledge, we've grown in our commitment to prompt, courteous service, quality products and reliable performance. As a result, our customers spend less time and money because the job is done right the first time around.

Our goal is to give you the confidence and piece of mind that your plumbing project will be completed quickly and expertly. We equip our licensed plumbing crew with the most modern equipment and train them to ensure work that meets the highest industry standards.

- Faucets (repair, replace)
- Sinks, disposals
- Toilets (repair, replace)
- Remodel tubs and showers
- Tank and tankless water heaters
- Water, sewer and gas line repair/installation
- Sump and sewage pumps
- Backflow installation and testing
- Remodeling
- New construction
- Maintenance contracts for plumbing and/or HVAC

> "Crawford helped us out greatly with our plumbing emergency. They were fast, efficient, and affordable. They really saved the day!"

Fast, reliable service, 24/7

Discovering a leak under the kitchen sink or a broken garbage disposal is an unpleasant experience that can lead to serious problems. You want to know that the problem will be fixed quickly and correctly on the first call. At Crawford, that's standard operating procedure any time and every day. One call is all it takes.

Crawford employs only the best technicians and installers. They will provide effective and efficient work on all makes and models of HVAC and plumbing equipment. Hotline Phone Numbers: Illinois **309-788-4573** and Iowa **563-386-9030.**

Crawford is a member of the ***Quad Cities Homebuilders Association****.*
